A multi-disciplinary partner for *international business.*

PBM is a business planning and management company with more than two decades of experience in international import and export. Founded in Dubai, UAE in 2004, PBM was registered in the United Kingdom in 2016 to expand globally and maintain close relationships with European markets.

Today we operate from our head office in London, with branch offices in Dubai and Pakistan. We are well connected with agro-producers and leading manufacturers across several countries, and supply companies worldwide on a fair, mutually beneficial basis.

From trading quality goods and sourcing reliable suppliers to representing companies abroad and growing their brands, PBM is a single, trusted partner for doing business across borders.
